The screenshot shows the Microsoft Teams interface. At the top, there is a search bar with the text "人、キーワードの検索、またはコマンドの入力". On the right side of the top bar, the user's name "黒澤司法弁護士事務所" and a profile picture are visible. Below the top bar, there is a navigation menu with options: "雑談" (highlighted in purple), "一般", "投稿", "ファイル", and "Wiki". The main content area displays "チームへようこそ!" (Welcome to the team!) and "ここからいろんなことを始められます..." (You can start various things from here...). There are two large circular icons: one with a book and a pencil, and another with a person and a question mark. Below these icons are buttons for "さらにチャンネルを作成" (Create more channels) and "FAQを開く" (Open FAQ). On the right side, a context menu is open, showing options: "チャンネルの通知" (highlighted with a red circle), "ピン留め", "チャンネルを管理", and "チャンネルへのリンクを取得". The left sidebar contains navigation icons for "最新情報", "チャット", "チーム", "通話", and "ファイル".
